

WELCOME TO 7th GRADE MATH

Hello,
My name is Mrs. Kerns. This is my
fourth year teaching. I am SO
EXCITED to be your teacher this
year!!

Classroom Rules and Expectations

1. I expect you to keep my classroom a safe place for others.
2. I expect you to be respectful, polite and patient with your classmates and teacher.
3. I expect you to communicate with their teacher if you need something.

Supplies

Please bring paper and a pencil. Bring it in a binder so it's not crumpled by the time you get to my class. You may need other things throughout the year for projects, but I will let your parents know a good amount ahead of time and work with you if you cannot bring it for whatever reason.

How Do I Get a Good Grade?

In-class assignments: 50% of grade.

You are expected to complete all assignments in class.

Quizzes: 30% of grade. Quizzes will be pulled from class assignments. I do allow retakes and corrections.

Classroom Presentations: 20% of grade.

Throughout the year you will be asked to present different in-class projects. Some will be in groups and some will be independent. Not too scary, I promise. You will be graded on critical thinking, use of materials and effort.

GRADING SCALE

A = 84.5
B = 69.5
C = 54.5
F = 0

Citizenship: Your citizenship grade in this class will be based on the following scale:

S (Satisfactory) = 90-100

N (Needs improvement) = 70-89

U (Unsatisfactory) = 0-69

While you may lose points for breaking class/school rules, you can earn them back with exceptional behavior, completing work on time, and helping classmates or the teacher.

**Poor behavior for a substitute will automatically drop a student's citizenship to a "U"

Food in the classroom: There is none!!! Please do not bring any food into the classroom. Each student should have a water bottle (for water only).
