**RECORD OF VOTES TAKEN:**

**ALL MATTERS PROPOSED, DISCUSSED, OR DECIDED:**

- A Review of our March 2019 meeting minutes
- Mrs. Susan Anderson presented a short outline and direction happening for next year's Leadership Class
  - It will be available for all students and will hopefully allow for students from all backgrounds to participate.
- A discussion about how AP classes are positively impacting our students
- Trustlands Discussion. . . detailed discussion about the positive impact our Trustlands plan is having on the success of the overall student body here at DFJHS.
- We talked about the feedback that the school/staff received from both parents and students in our community. It was overwhelmingly positive and goes a long way in helping staff understand what has worked and what can be improved. Students want a change to Team Time and we are addressing that.
- Technology discussion
- How can we better use our money to help students with "Life Skills"
