

Diamondback Digest

August 19, 2019

Welcome Back!

And just like that, summer has come to an end. The school buses are once again running, the bells are once again ringing and kids can once again be seen and heard in the halls of Diamond Fork Junior High. It really is a magical time of year--for all of us I'd imagine. It's a time of renewal, an opportunity to "start fresh."

For me, this is a homecoming of sorts. I started my teaching career 18 years ago in these wonderful halls, teaching social studies at Spanish Fork Middle School (as it was called then). The last nearly two decades have taken me to a few different stops, but fate has brought me home again. This is a wonderful school, and I am proud to call myself a Diamondback!

Whether your student is a new 7th grader, walking these halls for the first time or a "wise, old" 9th grader, or anything in between, this year is an opportunity for all of us to recommit to being our best selves. What does your student want to accomplish this school year? What will they commit to improve? What will they want to learn about themselves?

This year, we at DFJHS have made a commitment to be "ALL IN for learning." It is our new Mission Statement, and we hope it will be a rallying cry we all can get behind--students, teachers, parents, administrators, staff and community members. We are ALL IN to do whatever it takes to ensure every student is successful in their learning opportunities here at DFJHS. Will you join us in our Mission? We are STRONGER TOGETHER, so jump on the bus with us for the 2019-20 School Year! It's going to be a wonderful, joyous and wild ride!

Bart Thompson
Dean of Students
Diamond Fork Jr. High

ALL IN for learning
STRONGER TOGETHER
