

Math 6/7

Class Rules:

1. No food, drink, or electronic devices (IPOD, cell phone, games, etc.) that can damage the classroom or interrupt class will be allowed.
2. Bring all necessary classroom materials (workbook, pencil, correcting pen, paper).
3. Follow school policies.
4. No swearing, vulgar or obscene language, or putdowns of any kind.
5. Follow directions as given.

Citizenship:

1. Failure to follow any of the above rules will result in a citizenship mark, loss of 10 points.
2. Students will have the opportunity to work off marks. Students can talk to Mr. Bingham to discuss working off marks.

<u>Citizenship</u>		<u>Points</u>
S	=	80-100
N	=	50-79
U	=	49 or less

Hall Pass:

1. Hall passes are to be used for emergency situations only. Students are limited to three each term, and can be used for going to the bathroom, or to go to the office or locker. If there are medical reasons that require more hall pass use, please let Mr. Bingham know.
2. NO HALL PASSES ARE ALLOWED DURING RATTLER TIME.

Grading Scale:

85-100%	A
70-84%	B
55-69%	C
Below 55%	F

*I will be available to help you after school.

*Due to COVID, it is recommended that you bring your own calculator, pencils, pens, head phones, etc. to avoid using one from someone else. If you can't bring your own calculator I have one you can borrow for the class period. You MAY NOT take my calculators home. I need enough for all classes each day.

ASSESSMENTS: 70%

Assessment Mastery:

1. During any test there is a no talking policy. Any talking during an assessment can be interpreted as cheating.
2. Cheating is not tolerated! If caught cheating a zero will be given on the assessment.
3. Students may retake assessments as needed, but limited to one retake per chapter assessment.

Quiz Mastery:

1. Quizzes will be given frequently throughout the year.
2. Each quiz will assess a student's knowledge of a math concept or idea.
3. Quizzes will be retaken if the concept or idea is not mastered. Students are responsible for the retake.
4. Any quiz not taken will show up as missing until completed.

ASSIGNMENTS: 30% (Parents, please help your child be successful by making sure homework is completed).

1. Write your name, homework assignment, and period number on every assignment.
2. **SHOW YOUR WORK!** With the new Math Core, students are expected to do more writing, justifying, or providing steps in solving a problem. Showing work is essential and will be part of grading assignments. Research has shown those who show work understand and retain information better than those who don't. When calculators are used, write on your paper what was typed on the calculator. Homework with just answers will be redone before receiving credit.
3. Late work will be worth 80% and may be turned in until a specified day at the end of the term. Late assignments will only be accepted if they are completely finished and work is shown.
4. Absent work will be given full credit. Please hand in absent work within a reasonable amount of time, usually before the end of chapter/unit test. If you know you will be absent please get the assignment you will be missing before you go. **Students will be responsible to find out what he/she has missed.**
5. If the assignment isn't finished in class it is to be finished at home, then brought back to be graded the next school day.

Extra Credit:

1. Points will be given weekly if all homework for that week is finished and turned in on time. These points will be added toward homework scores.
2. Progress reports will be given out at mid-term and end of term, and will be extra credit on assessment scores if it is signed by a parent or guardian and turned in by a specified day.
