RECORD OF VOTES TAKEN:

ALL MATTERS PROPOSED, DISCUSSED, OR DECIDED:

- Motion to begin by Mrs. Davis, seconded by Mr. Perrins
- Mr. Sorensen reviewed the Board Meeting presentation so that those not able to attend would have a better understanding of what happened during the presentation.
- Mrs. Gunderson shared a few notes she took from the Superintendent SCC meeting held last week at the ALC in Salem. She shared about the new timeline for middle schools and high school construction.
- The remainder of the meeting was spent discussing and making any changes or asking questions about the 2019-20 School Improvement Plan.
 - Goal 1 we discussed how we are no longer having a specific LIA class, but an leadership class taught by Mrs. Anderson. LIA is an option for a club and those students are being encouraged by Mr. Claybaugh to take the leadership class.
 - Goal 2 we talked about how we use Trustlands money to help with Professional Development.
- We need to put a safety plan together so that we have an official plan to put out to all parents.
 - A lengthy discussion was then had about the need for our school and the district to be more on the offense when it comes to school safety.
- Goal 4 was discussed as to how we use Trustlands to lower class sizes. We do this by putting teachers on extended day contracts.
- The next meeting will be on Monday, March 18th.
