

7th Grade Science Disclosure 2022-2023

Mr. Whiting - Room 10

Welcome to science! I am excited to have you in class! To best help me meet your student's needs, please fill out this two question google form here: <https://forms.gle/wRqKJpyBoUG3iEPt9>

Remind

I use remind to keep parents and guardians informed as to what is happening in science during the week. If you want reminders about upcoming events, please check your student's period and sign-up to the appropriate remind option below:

Periods 1-4 please text @dfmspod1 to the number 81010

Periods 5-7 please text @dfmspod2 to the number 81010

Phones

There is a "no electronics" policy in the classroom at Diamond Fork Middle School - DFMS. My classroom will be run according to this policy. Phones can be picked up at the end of the school day from the office.

"What did I miss?"

We will be using CANVAS for at-home learning if you/your student cannot make it to class that day. Usernames and passwords are the same as logging into a Chromebook or school computer at DFMS. Each morning there will be new material posted to let you/your student know what we are doing in class that day.

Grading

Grades will be assigned according to the following DFMS markset:

A: 100 - 84.5%

B: 84.5 - 69.5%

C: 69.5 - 54.5%

F: 54.5 - 0%

Office Hours

Contact me via email at jerry.whiting@nebo.edu to schedule an in-person time to meet.

I am excited for the opportunity to have you in class this year! Science is a lot of fun and also a lot of hard work. Together I know we will have a blast! See you in class. :)
