

Lunch expectations

- ① We have multiple lunch lines. There are white boards on the wall that will tell you what is being served in each line.
- ② **We wait our turns in line and don't cut to be with friends. You can sit together after you get your lunch.**
- ③ Finish all food and drink before you leave the cafeteria (except for water).

WAIT! Are there microwaves?!

Yep, there are microwaves in the lunchroom so that you can bring food from home to heat up, if you would like. No, there isn't a fridge for you to store food in, so consider that when you choose what you might bring.

There are also paper towels on the wall right by the microwaves. It is **your responsibility** to cover your food and wipe up any spills. Clean up even better than you do at home.

Lunch expectations

- ⦿ **Make sure your actions are respectful and that they do not create more work for anyone else.**
- ⦿ **Please show integrity and clean up the area around you when you are done eating (even if it isn't yours)!**
- ⦿ **You bet we have vending machines! You are welcome to purchase from the machines and to take those snacks **into the lunchroom** with you. Food and drinks aside from water are not allowed in classrooms (unless given to you by your teacher).**

Lunch expectations

- ① Once you are done eating, **clear out** so the lunch staff can clean and sanitize tables before the next lunch.
- ② You will go down the hall and outside when you are done eating. You can use the restroom in the cafeteria hall if needed.

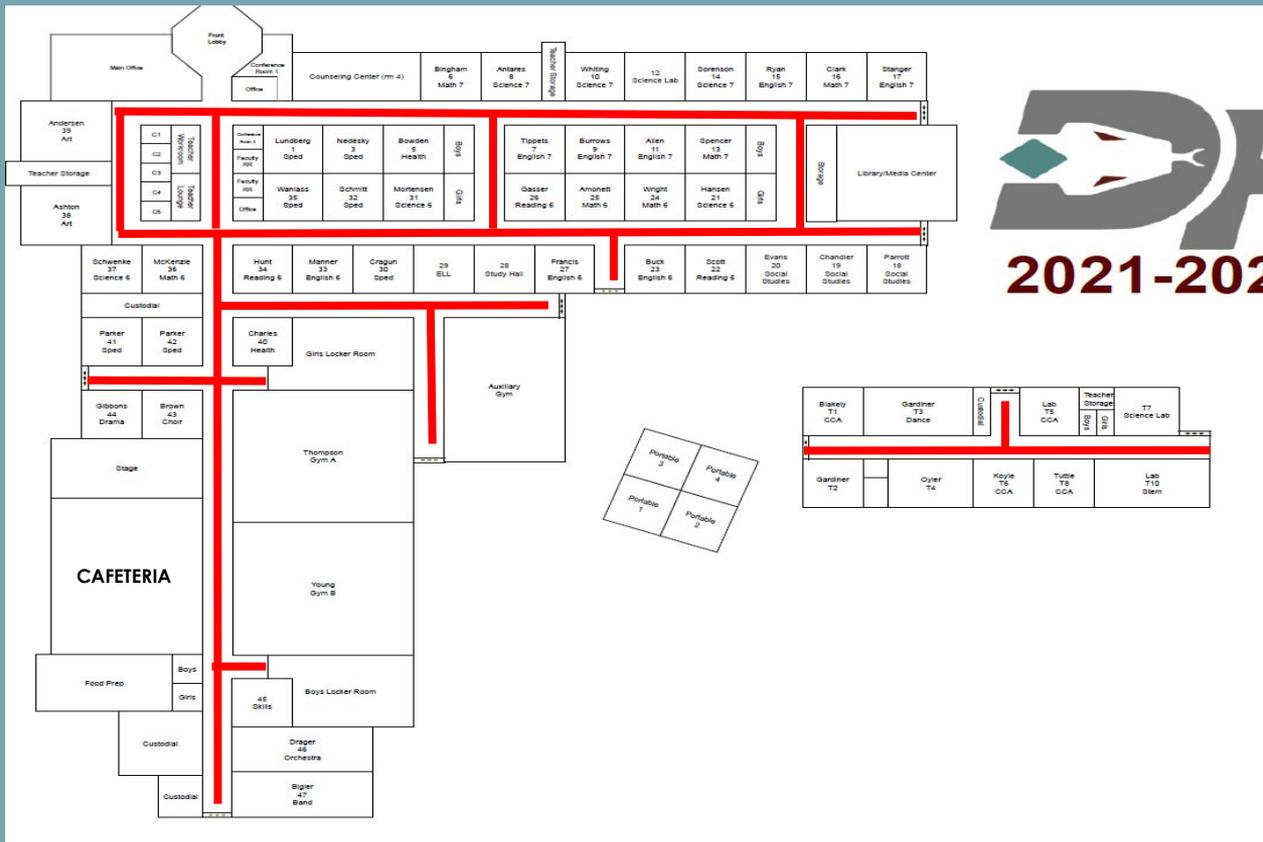

BUT, I HAVE A QUESTION!

Q: But what do I do with my lunch bag after I'm done eating?

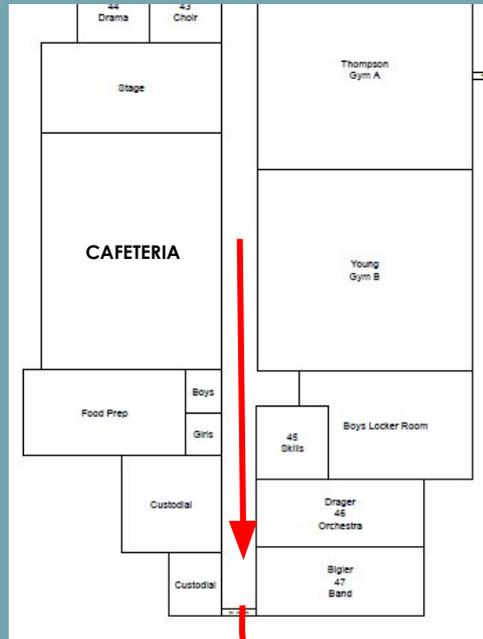

A: You can not go back into the halls to put away your backpack, go to your locker, go to the office, or do anything else until the bell rings to end lunch. You just take it with you outside and hold onto it, or set it down while you play. No one wants your lunch bag or backpack--seriously though. We all know how to show respect and not mess with each other's stuff; this is middle school.

If you are supposed to be at lunch, where should you NOT be?

You shouldn't be anywhere that is marked in **red** during your lunch. You should only be in the cafeteria, and then quickly moving from the cafeteria and down the hall to the back door and outside! (Of course you can stop by the restroom in the Cafeteria Hall!)

When you are done eating, exit down the cafeteria hall toward the east parking lot (**stop by the restroom quickly if you need to**) and head outside! Once you get outside, take a left and head to the back field area.

You need to stay INSIDE the red border where a supervisor can see you. Yep, don't go into the tennis courts or behind them. Don't go into the parking lots. Don't hang out behind the portables. And leave those classroom windows alone--they are busy LEARNING in there!

What can you do outside?

- ⦿ Check out equipment from the cart on the blacktop!
 - › An adult must be present to get equipment.
 - › Eventually, you'll have to exchange your school ID for equipment, but until you get an ID, you can trade your backpack, phone, or something else we know you'll return for!
 - › You are responsible for treating equipment appropriately and returning it at the end of lunch.

What can you do outside?

- Bring your own equipment to use.
- Hang out and talk with friends.
- Enjoy some sunshine (or space of your own).
- Play games that DON'T involve equipment!

What if it's raining or snowing?

**On those days, we will have a gym open.
We'll announce if it's an inside day!
Otherwise, dress to go outside!**

How do you know which lunch you have?

- If you have any of these teachers for 5th period, you have 1st lunch.

- Antares
- Bingham
- Bowden
- Buck
- Charles
- Chandler

- Drager
- Hansen
- Hunt
- Manner
- McKenzie

- Parrott
- Scott
- Schwenke
- Tippetts
- Wanlass
- Wright

- You go to lunch right after THIS CLASS! Then, **AFTER LUNCH**, you'll go to 5th.

How do you know which lunch you have?

- If you have any of these teachers for 5th period, you have 2nd lunch.

- Allen
- Amonett
- Ashton
- Blakely
- Burrows
- Clark
- Cragun
- Evans

- Francis
- Gardiner
- Gasser
- Koyle
- Mortensen
- Oyler
- Ryan
- Sorensen

- Spencer
- Stanger
- Tuttle
- Whiting
- Young

- AFTER THIS CLASS, YOU GO TO 5TH PERIOD. You go to lunch AFTER 5th period.
