RECORD OF VOTES TAKEN:

- A vote was taken to NOT hold a meeting in the month of December, motion made by Mrs. Davis, and seconded by Mr. Rowley and all others.

ALL MATTERS PROPOSED, DISCUSSED, OR DECIDED:

- Reviewed October's meeting minutes, there were not questions relative to the meeting last month.
- Reviewed the new addition to Mr. Rowley's "Pretty Awesome Data" which included Term 1 of this 2018 school years low achievement results. We had only 9 "F" grades from 7 students in the whole school, very cool.
- We gave the council kudos for allocating our Trustlands \$ to help provided support technicians and other personnel in order to eliminate students with failing grades.
- Mr. Claybaugh spoke to the citizenship rubric, how it works, and how it is helping our students with behavior issues.
- Reviewed how our "Play of the Day" student cards work and how it is making a positive impact on them as individuals and on our school collectively.
- Mrs. Davis brought up a concern about having the Science Fair in December. There is so much going on and it limits the quality of assignments that come in.
- Mrs. Gunderson brought up the "Final Week" concerns a parent had given her, good ideas and discussion.
- We will not be holding a December SCC meeting.
