## CLASSROOM EXPECTATIONS

STUDIO	ATTENDANCE	MAKE-UP	DEADLINES
<p>Students will learn how to navigate a shared art studio.</p> <p>They will be responsible to care for the supplies and the space in a respectful manner. If a student cannot handle this responsibility, they will be asked to sit out of projects and may be fined for damaged property. Any vandalism will not be tolerated!</p>	<p>Attendance is critical to being successful in any art program. There are many projects that take multiple class periods to complete.</p> <p>When frequently absent, these projects will be difficult to catch up on and may require the student to make-up work on their own time.</p> <p>Students can always take projects home if falling behind,</p>	<p>Students will need to make-up work if absent. This will be done by talking with Mrs. Spencer and checking out the supplies needed for the project and work will be completed at home.</p> <p>These supplies will be the responsibility of the student to return. If they are not returned, the student will be fined for the replacement.</p>	<p>We are so excited to introduce more ceramic projects this year. Ceramics and other projects will require some strict deadlines due to the kiln firing schedule. If missed, a student may forfeit their project getting fired in the kiln. Missed deadlines may result in a loss of points depending on communication and effort from the student.</p>

## PHONES

There is a strict no phone policy in place at Diamond Fork Middle School. This is especially true in the art studio. We will be working with materials that can ruin an electronic device if it comes in contact. Please have a discussion with your student about the importance of not taking their phone out during class. If they become a problem, they will be taken to the office for pickup later in the day. Thank you!

## NOTE FROM THE TEACHER

I am so excited for this year! My goal in the studio is for students to have a space they can dream up ideas and then create them. That is why the motto for our class is, "Dream It, Create It!" Your student will be given opportunities to further their skills and try new mediums as they explore their first experiences inside an art studio. Please feel free to contact me with any questions or concerns you may have and thank you for trusting me with your child. Let's get creative!
